Notice of a Discussion on Tuesday, 14 June 2011

The Vice-Chancellor invites those qualified under the regulations for Discussions (*Statutes and Ordinances*, p. 107) to attend a Discussion in the **Council Room**, on Tuesday, 14 June 2011, at 2 p.m., for the discussion of the Report of the Council, dated 30 May 2011, on the relocation of the University Farm from North West Cambridge to Madingley (*Reporter*, 2010–11, p. 893).

Nomination of members of the Council in class (e) (External Members): Election of a member of the Nominating Committee

30 May 2011

No nominations have been received for members in class (c) of the Nominating Committee to nominate External Members of the Council for the election announced in *Reporter*, p. 648. Under the regulations for the election of such members, a further election is to be held until the vacancies are filled (*Statutes and Ordinances*, p. 116).

The Vice-Chancellor accordingly gives notice of an election of one member in class (c) of the Committee to serve for four years from 1 October 2011. Members in class (c) comprise two members elected by the Regent House from among those who at the time of election are current members of the Council in classes (a), (b), and (c).

In order to be eligible, a candidate for election must be nominated on a paper sent to the Vice-Chancellor at the Old Schools so as to reach him not later than noon on **Friday, 10 June**. The paper must contain (a) a statement signed by two members of the Regent House, nominating the candidate for election and (b) a statement signed by the candidate certifying that he or she consents to be so nominated. The candidate should also provide a *curriculum vitae* by the same date (see below).

The Vice-Chancellor would be obliged if nominations could be delivered to the Registry in the Old Schools during office hours. Envelopes should be clearly marked as Nomination papers. Nomination papers may also be faxed to 01223 332332 or scanned (showing signatures) and sent by email to registry@admin.cam.ac.uk. Nominations will be published as they are received; the complete list of nominations will be published in the *Reporter* on Wednesday, 15 June.

In accordance with the regulations governing the election, each person nominated for election is required to send to the Registry, not later than noon on Friday, 10 June, a statement of her or his *curriculum vitae* for distribution to members of the Regent House with the voting papers. It is suggested that such a statement should be of not more than 500 words in length, and that it might cover the following points:

- the candidate's present position in the University
- previous posts held, whether in Cambridge or in other universities or outside the university system, with dates
- a note of the candidate's particular interests within the field of University business and experience that he or she might bring to the Committee.

The election will be conducted by postal ballot, under the Single Transferable Vote regulations. Voting papers will be distributed, together with the statements provided by candidates, on or before **Monday, 27 June**. The last date for the return of voting papers will be **Tuesday, 12 July**.

The Vice-Chancellor has appointed the Administrative Secretary as Deputy Presiding Officer.

Report of the Council seeking authority to submit a planning application for University land at North West Cambridge: Erratum

It is regretted that an error appeared in the wording of paragraph 11 of this Report (*Reporter*, 2010–11, p. 762). The paragraph should read as follows:

Collegiate accommodation

11. The limited capacity of the Colleges to offer places for postgraduate students is becoming a significant **constraint** to academic developments. This is manifested in restrictions to growth in numbers of graduate students recruited, and this in itself has an impact on the size of the pool of talent available to support the development of the University's research.

VACANCIES, APPOINTMENTS, ETC.

Electors to the Professorship of Orthopaedic Surgery: Amendment

An amendment has been made to the membership of the *ad hoc* Board of Electors to the Professorship of Orthopaedic Surgery, announced on 23 March 2011 (p. 634). Professor Hamish Simpson, University of Edinburgh, has been replaced by Professor Andrew Carr, University of Oxford.

Senior Academic Promotions Committee: Appeals 2011

The procedure for senior academic promotions (paragraph 11.1) provides that applicants have the right to lodge an appeal against the decision of the General Board's Academic Promotions Committee not to promote.

In accordance with the policy that Committee membership for the senior academic promotions exercise be published, the members of the Appeals Committee for the 1 October 2011 exercise agreed by the General Board are as follows:

Professor David John Ibbetson (Chair)
Professor Anne Carla Ferguson-Smith
Professor James Anthony Jackson
Professor Nigel Kenneth Harry Slater
Professor David Neil Sedley
Secretary: Ms Anne Pollintine

Vacancies in the University

A full list of current vacancies can be found at <http://www.admin.cam.ac.uk/offices/hr/jobs/>.

E-Learning Developer in the Finance Division: salary: £27,428–£35,788; closing date: 16 June 2011; further particulars: <http://www.admin.cam.ac.uk/offices/hr/jobs/vacancies.cgi?job=8265>; quote reference: AG08265

The University values diversity and is committed to equality of opportunity.

The University has a responsibility to ensure that all employees are eligible to live and work in the UK.

Any job application submitted with a *curriculum vitae* should be accompanied by a Cover Sheet for Employment (form CHRIS/6) which can be downloaded from <http://www.admin.cam.ac.uk/offices/hr/forms/chris6/>, or may be obtained in hard copy from the advertising Department or Faculty.

Appointment

Correction

Certain of the details published in the *Reporter* issue of 19 May 2011 (p. 758) were incorrect. The entry should read:

University Lecturer

History and Philosophy of Science. Dr Anna **Alexandrova**, B.Sc., Nicosia, M.Sc., London School of Economics and Political Science, Ph.D., San Diego, appointed from 1 September 2011 until the retiring age and subject to a probationary period of five years.

AWARDS, ETC.**Wallenberg Prize: Notice**

The Managers of the Scandinavian Studies Fund have agreed to extend the deadline for applying for the Wallenberg Prize to 17 June 2011. Please send two copies of the essay to the Department of Anglo-Saxon, Norse, and Celtic (addressed to the Departmental Secretary), 9 West Road, Cambridge, CB3 9DP.

The details of the Prize are available on page 45 of Special No 6 (5 November 2010).

EVENTS, COURSES, ETC.**Lectures, seminars, etc.**

The University offers a large number of lectures, seminars, and other events, many of which are free of charge, to members of the University and others who are interested. Details can be found on Faculty and Departmental websites, and in the following resources.

The What's On website (<http://www.admin.cam.ac.uk/whatson/>) carries details of exhibitions, music, theatre and film, courses, and workshops, and is searchable by category and date. Both an RSS feed and a subscription email service are available.

Explanation of forms of examination

1. A candidate may take a written paper of three hours' duration in all the subjects listed above, other than Paper 38.

2. Paper 38: Seminar paper. Paper 38 shall be examined by the submission of a thesis which shall not, without the leave of the Faculty Board, exceed 18,000 words including footnotes and appendices, but excluding bibliography, on a topic approved by the Faculty Board which falls within the scope of one of the following seminar courses prescribed for 2011–12:

- (a) Comparative law
- (b) European social rights and economic integration
- (c) Public law.

3. 'es' indicates a subject in which a candidate has a free choice between:
 - (a) a written paper of three hours' duration; and
 - (b) a written paper of two hours' duration together with the submission of an essay of not more than 7,000 words, including footnotes and appendices but excluding bibliography, on a topic approved by the Faculty Board which falls within the field of the subject.
4. 't' indicates a subject in which a candidate may submit a thesis in lieu of a final examination. The thesis shall not, without the leave of the Faculty Board, exceed 18,000 words including footnotes and appendices, but excluding bibliography. It shall be on a topic approved by the Faculty Board falling within the field of the subject.
5. '3' indicates a subject in which a three-hour final examination is required, the candidate having no option of substituting a thesis or a two-hour examination and an essay.
6. In 2011–12 there are no subjects which may be examined only in the form of a written paper of two hours' duration together with the submission of an essay of not more than 7,000 words, including footnotes and appendices but excluding bibliography, on a topic approved by the Faculty Board which falls within the field of the subject.

REPORTS

Report of the Council on the relocation of the University Farm from North West Cambridge to Madingley

The COUNCIL begs leave to report to the University as follows:

1. Cambridge University Farm was established in 1900 to support the newly established Department of Agriculture. In 2008, for administrative purposes, it was taken into the Unified Administrative Service under the Estate Management and Building Service. The Farm occupies 925 ha of land around the western edge of Cambridge and neighbouring villages. The land is mainly owned by the University, but includes land tenanted from several Colleges. The Farm has three functions:

- (a) to manage the University's land bank on a commercial basis until such time as it is needed for operational or other purposes;
- (b) to provide livestock for teaching by the Department of Veterinary Medicine;
- (c) to carry out research in agronomy.

2. The main activities of the Farm are located at Madingley (dairy unit at Park Farm) and North West Cambridge (office, livestock storage, and ancillary buildings at Howe Farm and Gravel Hill Farm). The buildings at North West Cambridge occupy sites which will be redeveloped when the North West Cambridge scheme is implemented, and continuing agricultural use will not be compatible with the site development activities. In any case the livestock and storage buildings have reached the end of their useful lives and no longer provide facilities acceptable to the regulatory bodies, including the Royal College of Veterinary Surgeons. Replacement facilities are required by the end of 2011 if farm animal veterinary teaching is to continue in the next academic year.

3. It is therefore proposed to replace the facilities being lost at North West Cambridge with new facilities

at the Dairy Unit at Park Farm. A detailed review of existing activities, including the type and numbers of farm animals needed for veterinary teaching, has been carried out. As a result the Farm has disposed of its herd of 30 suckler cows. Adult cow numbers will be maintained by expanding the dairy herd within the existing facility. Around 60 to 70 dairy heifer calves a year will be raised as herd replacements, with 170 to 180 calves sold as store cattle at six to twelve months of age; these will not therefore need to be housed over the winter. A substantial reduction in the space requirement has therefore been achieved. The proposed scheme involves modifications to the existing dairy building to create a calving area and to a straw barn to create secure storage, together with the construction of a young stock building, a calf house, lambing shed, and a grain store, together with hard standing and additional silage

storage. The total area of new build is 3,147m², which compares to the current area of 7,581m² at Howe Farm and Gravel Hill Farm. The modifications to existing space at Park Farm will affect 1,618m².

4. The scheme has been approved by the Farm Management Committee, and the West and North West Cambridge Project Board has supported the early relocation of the Farm from North West Cambridge.

5. The estimated cost of the work is £2.591m, and will be funded from the North West Cambridge project (£1m) with the balance from the Land Fund. The co-location of staff and facilities is expected to reduce operating costs and improve the profitability of the Farm.

6. Drawings of the proposed scheme are displayed for the information of the University in the School's Arcade.

7. The Council recommends:

- I That approval be given for the construction of new Farm buildings at Park Farm Madingley as proposed in this Report.
- II That the Pro-Vice-Chancellor (Planning and Resources), on advice of the Director of Estate Management, be authorized to accept a tender for the building contract and all associated works in due course, subject to full funding being available.
